PROCLAMATION OF THE EXISTENCE OF A LOCAL EMERGENCY

WHEREAS, Section 10.6(A) of the Redwood City Code empowers the City Manager of the City of Redwood City, as Emergency Services Director, to proclaim the existence of a local emergency upon determining that conditions which constitute a local emergency exist or are likely to imminently exist; and

WHEREAS, the City Manager, as Emergency Services Director of the City of Redwood City, does hereby find that:

1. Conditions of extreme peril to the safety of persons and property have arisen within the City of Redwood City, caused by a severe winter storm with heavy rainfall and high winds commencing on or about 12:00 PM on January 4, 2023; and
2. These conditions are or are likely to be beyond the control of the services, personnel, equipment and facilities of the City of Redwood City because the City of Redwood City does not have adequate emergency response personnel to respond to all reported emergencies and its residents are thus likely to be heavily impacted; and
3. The City Council of the City of Redwood City is not in session and cannot immediately be called into session.

NOW, THEREFORE, IT IS HEREBY PROCLAIMED that a local emergency now exists in the City of Redwood City; and

IT IS FURTHER PROCLAIMED AND ORDERED that during the existence of said local emergency the powers, functions and duties of the emergency organization of the City of Redwood City shall be those prescribed by the laws of the United States of America, the State of California, ordinances and resolutions of the City of Redwood City, and procedures identified in the Emergency Operations Plan of the City of Redwood City.
